

Don Wood Photography website.

We are a school photography business where parent place the orders online, this can happen in the following scenarios.

Add phone number to front page **9542 5370**

Placing pre orders (prior to school photo day)

Placing late orders (after school photo day)

Order previous years photos (this includes current year after we have completed the work and uploaded all photos)

*Issue if a pre-paid order and a previous year order is placed at the same time, this order is not moved to re-orders where we can print, it is kept in pre-orders for downloading and the previous year order is lost.

Issues for customer are:

Not mobile phone friendly

Website doesn't open on page to enter school code

Cannot click on cart to view order (must scroll through 3 pages)

How to website:

How to gain access **prior to school photo day & late order**

School code

Childs first name

Childs surname

Date of Birth

Class

How we allow personal access in our website **after we have closed off the school**

School code

Childs first name

Childs surname

Date of Birth

Class

*Problem if information does not Aline with website, customer will request a personal access code.

*If personal access is required, customer can only order for one child, not add another child

Here is a school code you may use to look around our website 219817

(Hurstville South Public School.

Stuart Wood will also send you an email with further information hopefully today.

The below has not been emailed

Ongoing issues

Ability to upload year 12 only.

To added two different sic code to one order

*Add- sending a message through website must fill field of

School

First Name

Surname

Class

In previous years-make the first year at top be the current year.

Develop a Group only pack where child is absent need to fill in details

Ability to have a mail out system built into website.

Please see below software is built on PHP, Laravel & Nodejs

Front end

<https://photo.donwoodphotography.com.au/>

Enter this school Access Code into the Orange box.

219817

You enter Hurstville South Public School that is online and taking orders.

Click blue box, ORDER PRE-PAID PACKAGES

Make up a name and DOB, select a class and then you are in and see the ordering side from the clients point.
