Software Login – Sanil - Below are the changes needed

<https://meatonjamesst.com.au/order-form/login-page>

orders@meatonjamesst.com.au / Meaton@2023

All new order will start with 1 and future too

Images are not loading in the front end need to fix it.

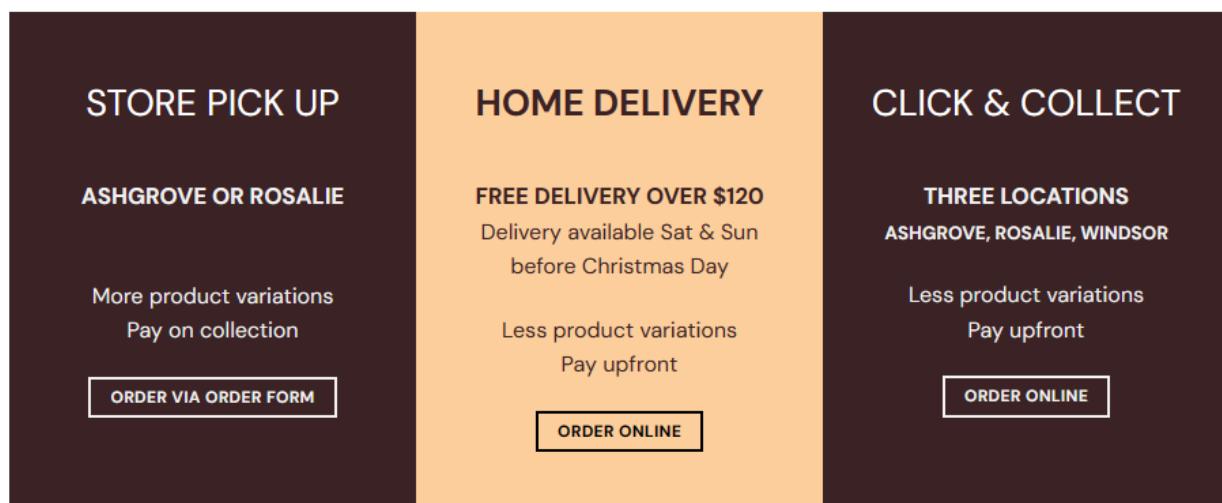

Need QR Code For: - <https://meatonjamesst.com.au/order-form/login-page>

Website Changes: - <https://www.meatonjamesst.com.au>

Complete Website Maintenance and focus on the below points

Please update all plugins and remove unwanted images that are not required.

All changes need to be live by today EOD.

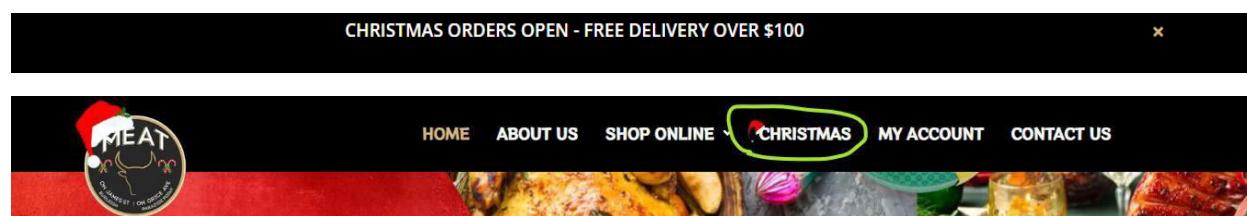

Also, create a design as per above for MOJ and display that on Pop-Up when the website loads.

Content will change for above Pop Up

Also, create a design as per above for MOJ and display that on Pop-Up when the website loads.

- **Add Pop-Up on Home Page**

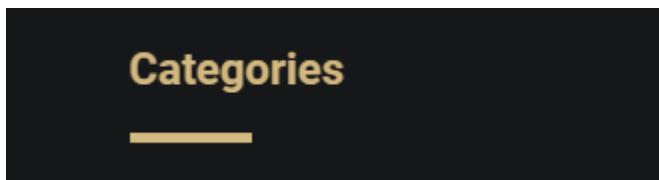

Add a Christmas Page in the Main Menu with a hat or according to new available design trends. –

See above image

Also, add the Christmas option in categories on the left side hat on it and see if it is reflected on all

category pages. - see the below image

Add to Cart Functionality

Ensure the "Add to Cart" function works seamlessly across all product categories.

Christmas Product Listings – (Add this page it will be in the backend)

Cross-check that all Christmas products are listed correctly, ensuring accurate descriptions, prices, and availability.

Delivery Postcode Verification – Home Page

Verify the delivery postcodes to ensure they are correctly serviceable for the Christmas season.

Changes in Plugin Marcus need to purchase the plugin - (Delivery & Click & Collect)

19th December Friday is the cut off day for Home Delivery Christmas Order and delivery will resume on 4th Jan 2026

Business Closed Days: - 25, 26, 27, 28 , 1st Jan 2026

Final Testing (Website & Mobile/iPad)

Conduct final tests of the website, ensuring compatibility across desktop, mobile, and iPad versions.

After the Christmas Order is closed revert all the above changes that were done and update one banner for a closer homepage – see the below image – and get it designed by the designer as per the latest trends. – **Check with Swati**
